Special display mounting bracket

AT THE HEART OF THE CUSTOMER EXPERIENCE

The real-time satisfaction surveys conducted with Smilio terminals are very effective when the device is fully integrated into the customer journey. With this display stand, supermarkets and hypermarkets can survey their customers about, for example, the selection and freshness of fruits and vegetables.

PRODUCT DESCRIPTION

For Smilio S terminals only

- Comprises a painted steel fixing bar/base + a counter plate in rigid white PVC
 - Weight (without the device): 4,75 kg
